

**OPEN CALL**  
***on special issue “Public Value Capture”***  
***in Sustainability journal***

Due to the situation regarding pandemic virus COVID-19 ***International Conference on Public Value Capture of Increasing Property Values has been cancelled*** and open Call on special issue “Public Value Capture” has been announced in Sustainability journal.

For more information, please see the link

[https://www.mdpi.com/journal/sustainability/special\\_issues/Public Value Capture](https://www.mdpi.com/journal/sustainability/special_issues/Public_Value_Capture)

The COST members’ publications will be funded by COST action. However, for the eligibility the authors have to meet the following COST funding requirements:

- 1) According to COST Vademecum 10.4.8, the authors must be participants of the COST Action coming from at least three different countries (COST Full Members/COST Cooperating Members). The paper must have (**obligatory**) an acknowledgement to COST (for more info visit <https://www.cost.eu/visual-identity/> )
- 2) In order to obtain the grant, which would cover the publication fee, the paper has to be submitted to the special issue “Public Value Capture” of Sustainability journal no later than by 30th June 2021.
- 3) Please inform Dr Andreas Ortner (email: [andreas.ortner@tu-dresden.de](mailto:andreas.ortner@tu-dresden.de)) and/or Dr Vida Maliene (email: [v.maliene@ljmu.ac.uk](mailto:v.maliene@ljmu.ac.uk)) if you intent submitting the manuscript (paper) to the special issue under above conditions.
